## BFA Programs in THEATRE STUDIES

# THOUGHT- PROVOKING THEATRE

## RESULTS THAT SHOW

"Since graduation, I've worked with Lookingglass Theatre Company, Chicago Children's Theatre, Chicago Dramatists, and others. These relationships would have been harder to cultivate without my experience at DePaul. I feel confident about my talents and the tools I've gained to make a show the best it can be."

– Caroline Macon Fleischer,  
Theatre Studies, Class of 2016

THE  
**THEATRE  
SCHOOL**  
AT DePaul University

# VERSATILE & VISIONARY

## THE POWER OF THEATRE STUDIES

All Theatre Studies programs are flexible and catered to you. You'll engage in a variety of theatre disciplines that will prepare you for a career in theatre and entertainment. Hands-on and highly personalized, this is your opportunity to mix critical thinking with creative exploration.

## PICK YOUR PROGRAM

Whether you are pursuing your passion or exploring your interests, students can earn degrees in the following Theatre Studies programs:

- » Comedy Arts
- » Dramaturgy
- » Playwriting
- » Theatre Management
- » Theatre Arts

## POPULAR CAREERS AVAILABLE TO THEATRE STUDIES GRADUATES:

- » Director
- » Scriptwriter
- » Literary Management
- » Arts Criticism
- » Arts Administration
- » Educational Outreach
- » Entertainment Coordinator
- » Managing Director
- » Production Manager
- » Casting

## WHAT TO EXPECT

Get ready to explore the history of dramatic literature as it relates to current thinking in theory, criticism, directing, and production. As you dive deeper into your major, you'll engage in a broad range of experimental coursework, from acting and performance to politics and pop culture.

## LEARN WHILE YOU DO

Success in theatre and entertainment is all about putting what you learn into practice. We'll give you plenty of chances to do that – on campus and off.

**GET INVOLVED:** 30+ TTS productions every year

**GET CONNECTED:** Wide range of internship opportunities throughout Chicago

**GET NOTICED:** Multiple opportunities to showcase your work
