

CINDERELLA: THE REMIX

Character Guide

Yo, yo, yo! Cinderella on the one's and two's. Hip-hop is my life. I DJ night and day in my basement because I love making dope beats. I want to be the greatest DJ in the whole world, but here in Hip-Hop Hollywood, girls aren't allowed to be DJ's. So for now it's all a dream. But maybe, if we change the rules, dreams can come true.

Hey, what's up? Chocolate Ice, here. I'm Cinderella's step-brother and partner DJ. Well... for now. I'm about to audition to be a solo act for THE J Prince! I wonder what I should wear...

Wazuup, wazuup.! My name is Chin Chilla, and guess what? I'm a chinchilla. I will not rest until my community has equal rights in Hip-Hop Hollywood because currently, we don't have any! Apart from that, I love jamming and dancing with my bestest friend Cinderella! She's the greatest DJ in Hip-Hop Hollywood and when she's famous, even though I'm terrified of crowds, I'll go to all her jams.

Yo, it's J Prince. Crazy I gotta introduce myself, cause you should already know, but I'm the biggest rapper in Hip-Hop Hollywood, looking for the best DJ for my big Jam!

Character Guide

My name is Bad Ma'amajama. In my home, I'm in charge and nothing gets past me. I have big hopes for my darling son Chocolate Ice to become the next big DJ. Oh, if only he could have the success I never could...I wish my silly stepdaughter Cinderella would learn her place and stop playing with those turntables.

Hello, everyone! I'm Hoperah, the entrepreneurial media queen of Hip-Hop Hollywood. Which means, I'm my own boss and I run thangs. You probably know me from my show, the Hoperah Show. With a little help from me, Cinderella and her friend Chin Chilla can find confidence and realize their full potential. What can I say? I love changing lives!

Alright, I'm Mo'Money. I don't have all day, so we'll make this quick. I run Bling-Bling Records. J Prince was swaggerless before he signed with us! Let me tell you, his career is riding on this Jam. He just needs the perfect DJ! We all know what will happen if he delays the release of his album for a third time. J Prince will become J Pauper!
